ISD Recycles

The '92 - '93 phone books will be arriving on campus soon. Eileen Pezzutti's Middle School AEP class will be responsible for distributing the new directories. The class plans to collect last year's books and take them to a local recycling center.

Thanks to Ryan Wiggins, Julie Plascak, Jackie Hiner, and Kris Meador for their important contribution, and especially for finding an opportunity for ISD to recycle.

It's Here!

On October 1st the Indiana Relay Service began operation. Sprint is handling the services at its Missouri center, but will open an office with a small staff in Fishers, Indiana.

ISD Students to Attend Government Workshop

On October 15th, seniors Mandy Loper and Melody Harter will participate in Youth in Government Day. The event, presented yearly at the City-County Building by the city of Indianapolis and the Northside Optimist's Club, offers two students from each high school in Marion County the opportunity to explore the functions of local government.

Representatives from Indianapolis' Metropolitan Development, Public Works, and Transportation divisions will discuss their departments' roles in city government from 8 - 10 am. The mayor or a speaker from his office will address the group at 10 am. Following the mayor's remarks, the group will tour the City-County Building for a first-hand look at government in action.

Faculty sponsor Jerry Backus, high school civics teacher, explained that all ISD's Civics classes will benefit from Mandy and Melody's experiences through a variety of ongoing classroom presentations.

BIBI Thought for the Week:

Times change. We can't blame educators or administrators for not having known all along that ASL is a full-fledged language, before the fact was discovered and confirmed in recent years. But we can blame any who rigidly adhere to old and unsuccessful practices now that the evidence is in and scholars, educators, and community leaders alike are calling for change."

Dr. Harlan Lane, Northeastern University Distinguished Professor

1992 Flu Vaccinations for State Employees

As the days get shorter and colder, flu season is rapidly approaching. The fever, sore throat, and cough that it brings are all too common. In an effort to reduce incidence of infection, the Indiana State Department of Health will offer an influenza vaccination program for employees. Influenza is a viral illness of the respiratory tract which usually produces fever, chills, cough, and muscle soreness. Although "flu" is most serious when it affects the elderly and the chronically ill, it is also of major importance when it affects those who supply vital public needs. The Centers for Disease Control advocate vaccination of community service workers so that their important work will not be disrupted by illness.

Who should get the influenza vaccine?

Elderly persons and persons with underlying health problems are at increased risk for complications of influenza infection. Health care workers and their family members should also be vaccinated. Persons who have required regular medical follow-up or hospitalization during the preceding year because of chronic disease. Also, persons wishing to reduce the chance of getting infected.

Who should NOT get the influenza vaccine?

Inactivated influenza vaccine should not be administered to persons known to have allergies to eggs without first consulting their physician. It is usually preferable to delay vaccination of adults with fevers until the fever is gone.

Are there side effects and adverse reactions?

Because influenza vaccine contains only noninfectious virus, it cannot cause influenza. Respiratory disease after vaccination represents coincidental illness unrelated to the influenza vaccination.

Where and when can I get my flu shot?

ISD staff members may get a flu shot at either the Indiana State Department of Health, Rice Auditorium - October 13th and 19th from 9:30 a.m. to 12:00 pm, or the ISD Health Center - October 15th from 8:00 a.m. until midnight.

The cost to you is only \$1.75!! (please have correct change)

IAD Offers Parent Workshop

The Indiana Association of the Deaf has announced plans for a workshop, "How to Communicate Better with Hearing Children", to be held Sunday, October 25th on the ISD campus in Raney Hall's Multi-purpose room. The workshop, designed for Deaf parents with hearing children, will feature Sheila Jacobs, marriage and family counselor and a hearing child of Deaf adults (CODA).

Check-in time is 1:30 pm. The workshop will begin at 2:00 and end at 5:00 pm. A pitch-in dinner is scheduled to begin immediately after the workshop. Registration for the event is \$10 per family. Space is limited. Contact Laurene Gallimore for registration information (317) 924-4374, extension 16

Deaf Heritage Week a Success!

Co-Chairs Mike Jackson and Susan Hocker wish to express their thanks to some of the many people who contributed to making Deaf Heritage Week a great experience:

ISD's Management and Consulting Teams, Supervising Teachers, Teachers, Teacher's Aides, and staff, especially Deaf Studies Coordinator Pam Haring, for all the wonderful support.

ISD's Interpreting Services for all the extra interpreting assignments during Deaf Heritage Week.

The Cafeteria staff for their support during the ice cream social, and the maintenance staff for their help with furniture on Proclamation Day.

Ella Elkins, Chris Walters, Edna Olsen, David Reynolds, Brian Brizendine, Ann Reifel, Yvonne Johnson for the use of their classrooms.

Classes of Brian Brizendine and David Geeslin for the great plays they performed.

An Extra Big Thank You to the Student Council members listed for their help:

ORIOLES!

Cross-Country

Cross-Country ran two meets last week. Last Monday the Cross Country team competed against Indianapolis Lutheran with ISD hosting. Several of team members improved their individual times. ISD won the meet by a score of 22-34 (low score wins in Cross-Country) for the first team victory of the season. Danny Moore came in 1st with a time of 20:42, followed by J.T. Davisson in 3rd with a time of 20:42. Finishing 4th was Toby Hostetler with a time of 21:42, in 6th was James Rayburn, 21:54. Shane Taylor came in 8th and Donald Lynch finished 10th. Greg Abrams and Tony Howard also finished the race. Cross-Country can be tough; each race is 3.1 miles (5 Kilometers) long! Greg and Tony did a fine job, running the full race.

Tuesday, ISD's intrepid Cross Country team faced Heritage Christian. J.T. Davisson surprised many going the distance and being the first ISD runner to cross the finish line. He finished 7th with a personal best time of 18:48, the best time of any ISD runner this year. Danny Moore was right behind J.T. coming in 8th with a time of 18:53. Any time under 19 minutes is considered a very good time. Coach Mike McGeath said, "I had not expected any of our runners to break the 19 minute mark because we are in the first year of our program, and most of our runners are competing for the first time." James Rayburn, who was not feeling well, came in 18th followed by Toby Hostetler, Shane Taylor, and Robert Baumgardner. The final score was Lapel 19, Heritage Christian 34, and ISD 45.

Although the team did not win the meet, ISD's Cross Country team suddenly looks very promising and offers a lot of potential. McGeath explained, "everyone on the team is a sophomore except for one junior. We will grow into being a very strong competitor."

Athletes of the Week

Swimming.

Coach Caraboa and Assistant Coach Larry Leonard agreed that the entire team deserves this award. They showed their dedication by maintaining positive attitudes and setting impressive times, contributing to the victory over Northwest (a AAAAA competitor). The team won first place in 9 of 11 races, achieving eight new personal best times. The win over Northwest was clearly a team effort and all the swimmers deserve recognition.

Cross-Country:

Jeremiah Davisson. Jeremiah ran two excellent races last week. He set a personal best time in each meet. His current personal best time is 18:48, the best time for any ISD runner.

Cheerleading:

Dawn Walker. *Varsity* - Dawn ALWAYS cheers and works hard at games and has a great attitude.

Jody Collins. *Junior Varsity* - Her attitude and efforts improve every practice. She challenges herself to do more advanced tumbling and better jumps.

Volleyball: (No Junior Varsity this week)

Chandra Boyd. *Varsity* - She played very well in all three meets last week. She had an excellent serve in the meets against Morton Memorial and Indianapolis Christian. Chandra made very few errors in the game against Tennessee School for the Deaf. She always has a good attitude.

Coskha Casey. *Middle School* - Coskha had excellent serves and great movement during plays. Her good attitude and motivation help her to be successful.

Football:

Shon Breland & Adam Odenthal, *Junior Varsity* defensive ends, have demonstrated a lot of improvement in their playing which has resulted in several quarterback sacks. They both have great attitudes.

Vernon McLin. *Varsity* - Vernon has been steadily improving his game. His blocking on the "sweep" was especially important in last week's game. Vernon was the key to several important plays, helping to defeat Tennessee.

Midwest Teen Institute for the Deaf Update

Five midwestern schools for the Deaf have confirmed their plans to participate in the Midwest Teen Institute for the Deaf, hosted by ISD and sponsored by Partners in Prevention, a program of the Fairbanks Training Institute. Participating schools are:

AEP Department Welcomes Vera Masters

Vera Masters has joined ISD's staff as a Middle School/High School Teacher's Aide. Vera, husband, elementary teacher Mike Jackson, and their three children relocated to Indianapolis last year after thirteen years in Maryland. She is a 1978 Gallaudet graduate and last worked in the Gally Admissions Office. WELCOME!

Thanks

ISD's Visitor and Information and Family Services Centers extend sincerest thanks to the *Hamilton County Chiropractic Clinic* for their recent donation. The clinic, located in Noblesville, helped sponsor the Family Service Center's Open House by providing the invitations. Hamilton County Chiropractic - 776-1061 TTY/Voice.
